LUGGAGE

Luggage tags are being provided to assist you in locating your luggage in the Port Canaveral Terminal. Please write your stateroom number, name, address and number of bags on these tags (e.g. 1 of 2). Remove any old airline or blue Disney tags. Attach the new tags to your luggage and place it outside your stateroom between 9:00pm and 11:00pm for complimentary delivery to the ship's terminal. Any luggage not placed outside the stateroom by 11:00pm must be hand carried by the guest when disembarking the ship. We suggest that you pack all valuables such as cash, negotiable securities or other financial instruments, gold, silver, jewelry, ornaments, works of art photographic/ video/audio equipment or supplies, laptop computers, cellular phones, breakables such as perfume & liquor, medicines or other valuables in your day bag to be kept with you throughout your journey. Your belongings will be stored and conveniently located in colored zones, according to stateroom number, for easy recognition in the port terminal. Once you locate your luggage, porters will be available to assist you as you proceed through Customs. The porters off the ship providing this assistance are an independent company. So, in recognition of this service, it is customary to leave a gratuity. The Transportation Security Administration suggests that all passengers, flying through U.S. airports, unlock all Checked Baggage. Baggage may be searched at any time and locks may be broken if a physical inspection is required (This will be addressed by airline personnel when accepting Guest luggage). They also suggest removing all unprocessed film and cameras with undeveloped film from your luggage.

In accordance with Federal Law, **NO fresh fruits, vegetables, plant materials or meats of animal products** may be brought back into the United States. Heavy fines may be imposed on guests found with these items.
