Costa Maya Port Information

Costa Maya is a tourist region located on the Yucatán Peninsula 100 miles south of Playa del Carmen near the border of Belize in Mexico. Comprised of two small villages, Mahahual and Xcalak, Costa Maya provides a picture-perfect getaway the entire family is sure to love.

Early Mayans were predominant in the area from 200 B.C. to 900 A.D. In the 16th century, English pirates ravaged the coast and battled the Spanish for control of the region. At the end of the 19th century, the Mexican Navy took over the land. A treaty with Britain was signed soon after limiting the territorial rights of Mexico, thereby forcing Mexico to build a new trade port in Xcalak.

By the 1950's, the economy was flourishing as businesses - including stone and wood construction companies - made the area a supply center for the region. Steady growth continued until the mid-1990's when the government outlined a plan to make Costa Maya a tourist destination. Today, tourism is Costa Maya's main economic revenue stream and it's easy to understand why, thanks to the island's plethora of unspoiled natural beauty that has remained untouched for thousands of years.

An Overview of Costa Maya

Costa Maya is the first Western Caribbean port designed exclusively for the cruise ship industry and is strategically located just hours from Cancun on Mexico's southern Yucatan Peninsula. It is Comprised of 2 small villages, Mahahual and Xcalak. While Xcalak is approximately 37 miles south of the

Costa Maya cruise port, the fishing village of Mahahual is only about 2 miles away. Mahahual has soft sand beaches, grass thatched palapas and a coral reef a short distance off-shore called Banco Chinchorro, as well as several bars, restaurants and shops.

Set against the deep turquoise sea, Costa Maya is comprised of three grand pavilions, artisan and costa maya shopping areas, a beach club, saltwater pools, fine restaurants and bars, and all the resources necessary to explore the surrounding jungle and coral reefs. It is the region's most complete and diverse port of call, providing cultural, natural and archeological excursions.

Port Adventures: Check your ticket for the correct meeting time and location for your tour. Your Port Adventures Team will direct you to transportation. Taxi service available outside the cruise terminal.

RESTRICTIONS ON U.S. CURRENCY TRANSACTIONS IN MEXICO

In September of 2010, the Mexican government enacted a law limiting the amount of U.S. dollars a Mexican business or individual may deposit into their bank account. Because of this limitation, some of the recommended stores in port may restrict the amount of U.S. dollars they will accept in settlement of your purchases. Please remember to take your credit card into port so that you may be able to take advantage of all the bargains these stores have to offer.
