WELCOME TO SAN FRANCISCO!

San Francisco's history is long, and filled with historic events. Beginning in the 1850s, the city has always been an important aspect of Californian and American history. It provided a highly accessible and convenient bay harbor, allowing for easy trade and travel. The city continued to grow and grow throughout the 19th century, and quickly became one of the most important west coast cities. The 20th century started out with the 1906 earthquake which caused massive fires. Another historic event was the building of the Golden Gate Bridge, and it's opening in 1933. In the 50s, the Giants came to town, and the city suddenly had its very own baseball team. In that same decade, the 49ers became an NFL team. San Francisco was well known in the turbulent 60s and 70s for it's attraction to alternative people, adding a diverse thick feeling of community in the city and the surrounding area.

WE WILL BE SAILING UNDER THE GOLDEN GATE BRIDGE THIS MORNING AT APPROXIMATELY 6:45 A.M. AND AGAIN ON WEDNESDAY, APPROXIMATELY 30 MINUTES AFTER DEPARTURE.
